Thanks Jim. Am just focusing on this and need to confer with OCIR. Will be back to you tomorrow when I'm back in DC.

Bob -- are you aware of this? I don't know this congressman, or of his interest. But if I am in DC next week I could also trek to his offices at some point. Or we can do this by phone. Or we can do something else. Just let me know your preferences.

All -- I understand from Pamela in OCIR that this briefing will probably be scheduled sometime next week. Pamela will find out from Rep. Rush's staffer how much background they would need and what questions the Congressman has about this site.

Pamela reports that Bob Sussman is considering who to present the telephone briefing -- Jim or Ayn or ??

Jim -- If he hasn't already, Bob should be calling you about this soon.

Will keep you apprised as I learn more.

Hey Sven,

Hope all's going well.

Just following up from my voice mail about having someone brief us on the fracking/contamination testing in WY. Let me know something when you can.

Thank you,
Tim
